

**T**ubular Specialties Manufacturing is a family business that was founded in 1966. The company has built a reputation for reliability, quality, service and value. Also, true to its name, TSM prides itself on fabricating custom jobs with expertise and craftsmanship, whether it's modifying a grab bar, shower seat, corner guard or many other products to different dimensions other than shown on these pages, or designing brand-new concepts to accommodate particular job requirements.

TSM's manufacturing base is in Los Angeles and the company ships worldwide. Warehouses are in Los Angeles, Missouri, New Jersey and Washington. You are invited to join the thousands who have chosen TSM products for hospitals, hotels, airports and a wide range of commercial and residential projects.

### Guarantee

TSM guarantees its products against defects in workmanship and materials for one year from shipping date. Mirrors and dryers have additional warranties.
